

Assistant Principal – Resourcing Effective Leadership – Certified Programme

The programme has been designed, and is delivered by, **Luke Monahan of Curam.ie** and **Billy Redmond of LearningHouse.ie** – they are both highly rated trainers as well as having extensive expertise and experience in the education sector. The materials and approaches were piloted in a range of schools across the country. The programme has run with excellent evaluations in 2019 – *see our testimonials from the most recent programme on the next page.*

Participants will:

- ✓ take part in three four hour modules with participants from other schools
- ✓ cover all of the aspects of AP leadership in the above programme descriptor
- ✓ engage in a very participative learning process
- ✓ receive all the materials, frameworks and practical guides
- ✓ apply the learning in their school setting
- ✓ network with other schools in addressing specific issues and sharing best practice
- ✓ receive a Curam.ie/Learning House Certificate detailing the work completed

Testimonials from a recent AP Programme run by Curam.ie & Learning House

Very informative & practical – school focused and realistic – this is of huge importance, staffs are really looking for this support. **Marcella A.**

Learned about my leadership style and how to manage conflict as well as integrating what I do with LAOS. **James C.**

Practical tips and examples from the examples of the facilitators' work in schools – very useful as a new post holder. **Michelle M.**

Very well presented with very knowledgeable presenters – found out so much about myself as a leader. **Eimear S.**

Very beneficial, even to a teacher who does not have a post. **Lauren E.**

Would highly recommend this programme. Sessions are fully tailored to the needs of the role and both facilitators are hugely helpful throughout. **Conor M.**

An excellent programme with two inspiring facilitators. Linking LAOS to what we are doing day to day. Leadership skills and practical ways to deal with others – sharing examples and solutions. **Paula C.**

Relates to day to day running of school – enjoyable and interactive. Two brilliant facilitators who are both very knowledgeable. **Megan S.**

Reflective practice is a key component supported by examples demonstrating theory in practice. Informative – both speakers highly engaging. **Stephen H.**
